INSTRUCTIONS FOR USE
1. Fill your portafilter with ground coffee. 2. Hold your WDT Tool by the wooden handle. 3. Using the needles, gently stir the coffee to remove any air pockets and allow the coffee to settle evenly. 4. Use a tamper to tamp down your coffee or proceed directly to extraction. 5. Remove any coffee residue after each use.

MAINTENANCE AND CLEANING

- Rinse with warm water and gentle dish soap after each use.
- Always use a soft sponge or a washcloth.
- Never use abrasive cleaning products or steel sponges to avoid damage to the product.
- Always allow to dry thoroughly before next use.
- Not dishwasher safe.

SAFETY WARNING

- The included needles are sharp – handle carefully and only use the product for its intended purpose.
- Never handle near a fire or a heat source.
- Not dishwasher or microwave safe.
- Keep away from children.
