INSTRUCTIONS FOR USE
1. Place your knock box on a stable, levelled surface. 2. Hold your portafilter above the knock box and dispose of the used coffee puck using the knock bar. 3. Repeat as many times as necessary. 4. Once the box is full, remove the used pucks and clean the coffee residue. 5. Before each use, ensure that the knock bar is secured in place.

MAINTENANCE AND CLEANING

- After use, empty the continents and wash the knock box using warm water and gentle dish soap.
- Always use a soft sponge or a washcloth.
- Never use abrasive cleaning products or steel sponges.
- Avoid dishwasher use to prevent damage to the coating and silicone base.
- Avoid direct heat exposure.
- Not microwave safe.
- Allow the knock box to dry thoroughly before next use.

SAFETY WARNING

- Only use the knock box for its intended purpose and do not strike any surfaces aside from the provided knock bar.
- The silicone mat is nonskid, but you should always place the knock box on a stable surface.
- Avoid direct heat exposure.
- During cleaning, follow regular safety measures.
- Keep away from children.
