

EN - Glass Dripper Filtro Vetro

PRODUCT NAME	Glass Dripper Filtro Vetro
PRODUCT ID	2589
PRODUCT PHOTO	

PRODUCT DETAILS	
Product specification	Coffee dripper
Dimensions	11,5 × 6,5 × 11 cm
Material	Borosilicate glass
Status	Material intended for contact with food

INSTRUCTIONS FOR USE
1. Insert paper filter into the filter basket, open side facing up. 2. Pour hot water over the empty filter to warm up the glass, then discard the water. 3. Add ground coffee into the filter (we recommend 6-8g per 100ml of water). 4. Slowly add water (92-96°C) using circular motions to allow the coffee to extract evenly. 5. After the brewing is finished, remove the filter and discard used coffee grounds. 6. Serve immediately.

This dripper is suitable for preparation of tea or iced beverages.

MAINTENANCE AND CLEANING

- Rinse with warm water and gentle dish soap after each use.
- Always use a soft sponge or dishcloth.
- Avoid abrasive cleaning products and steel sponges to prevent damage to the product.
- Always allow to dry thoroughly before next use.
- Not dishwasher safe.

SAFETY WARNING

- The glass may get hot during use.
- Handle carefully and always hold it by the handle.
- Avoid use if the product was damaged.
- This dripper is unsuitable for use on stoves, hotplates, in microwaves, or near other heat sources.
- Keep out of reach of children.
